

## *MusicTime 4 (Ages 6 to 8 Years)*

**MusicTime 4** introduces children ages 6 to 8 to the keyboard. Capitalizing on the child's love of group music making, this program incorporates singing, dancing, drumming, composing, and improvising with keyboard playing. Limited to 8 children per class, this class meets one hour weekly for 14 weeks. The parent or caregiver who will be helping the child to practice in the home environment must attend class in an effort to reinforce the material presented each week. Children may continue in Levels 2, 3, and 4 after completing Level 1. A piano or keyboard is required for home practice.

### **Program Fees for MusicTime 4**

Tuition and Materials (Child's book and 2 CDs): \$300.00
